To obtain 1995 back issues, call our order department at (800) 688-2421; inside Georgia, (404) 262-7436.

Accreditation

Complying with new TB guidelines: A realistic plan, MAY:61
Joint Commission protocol for conscious sedation, OCT:122
Joint Commission surveys: Are they worry-free? JAN:10
'The era of accountability is here,' DEC:139

Anesthesia

Caution! Your preparation program for pediatrics may intensify anxiety, JUL:77
Children and anesthesia: Here's what to tell them, JUL:80
Conscious sedation policy offers you a benchmark, OCT:119
Even the best discharge planning can go bust — What do you do?, APR:41
Joint Commission protocol for conscious sedation, OCT:122
Propofol: Is this drug costly or cost-saving?, NOV:134
SDS patients feel too much pain, MAR:33
SDS program streamlines pre-admit assessment, FEB:18
Take a close look at pre-op visits: How much is too much? FEB:13

Cost containment

Center of the future is low-cost, patient-friendly, JUL:81
Do you lie awake at night wondering when an RN is needed? Here's advice, MAY:53
How can you cut equipment costs in half? SDS managers buy second hand, JAN:1
How 'quality action' made the difference, JAN:8
How to convince staff your gain is their gain, MAR:36
Is it 'push, push, push' in the OR? Patient safety policies deter slip-ups, SEP:101
Key to cost-cutting: Persuade MDs to join you, JAN:6
Looking at pref cards saves $4.73 per case, JUN:68
Money-saving tips on equipment and supplies, JAN:4
Propofol: Is this drug costly or cost-saving? NOV:134
Re-engineering builds efficiency in SDS, MAR:44
Restructuring speeds case turnaround, adds teamwork, JUL:84
Stop throwing money away! Center monitors wasted supplies, SEP:112
12 cost-saving tips from your peers, FEB:20

Documentation

Conscious sedation intraprocedural flow sheet, OCT:120
Excerpt of physician survey, AUG:92
Fresno (CA) Surgery Center financial worksheet, JUN:73
Getting paid means getting the details, JUN:72
Operational variance report, AUG:91
Preoperative health assessment, FEB:15
SF-12 Health Survey, DEC:141

Equipment

Guidelines for buying used equipment, JAN:3
How can you cut equipment costs in half? SDS managers buy second hand, JAN:1
Money-saving tips on equipment and supplies, JAN:4

Extended recovery care

4 keys to success in recovery care, SEP:108
Recovery care makes its own recovery, SEP:105
The right equation: How to show the pluses of recovery care, DEC:145

Federal regulation

Complying with new TB guidelines: A realistic plan, MAY:61
Oh, say can they see? Put cataract problems in writing, DEC:142
Proposed rule could reduce SDS cases, OCT:123

Finances

Acquisitions — wheeling and dealing in SDS, AUG:98
Calculating capitation: Where the profits are, JUN:67
Capitation: Can same-day surgery managers bear the risk? JUN:65
Capitation: Divine answer or downfall of health care?, MAY:62
Center of the future is low-cost, patient-friendly, JUL:81
Deletions from the list of covered procedures for ambulatory surgical centers, APR:supplement
Do you lie awake at night wondering when an RN is needed? Here's advice, MAY:53
Getting paid means getting the details, JUN:72
HCFA list: Fewer deletions, more flexible criteria, APR:47
How can you cut equipment costs in half? SDS managers buy second hand, JAN:1
How to convince staff your gain is their gain, MAR:36
Key to cost-cutting: Persuade MDs to join you, JAN:6
Looking at pref cards saves $4.73 per case, JUN:68
Outpatient PPS moves closer to implementation, MAY:57
7 trends in health care you need to address now, JUL:86

Freestanding centers

Acquisitions — wheeling and dealing in SDS, AUG:98
